Members of the public attended to ask the Board of Education if they were going to change their decision on the requiring of the students to wear masks. They expressed concerns regarding the SB 818 bill and the content of it, and they had concerns regarding the baseball program try-outs and inquired as to how the program was ran.

The Board responded that we will be continuing to follow the State Mask Mandate, as that is what is best for our district at this time.

Ms. Tucker commented on the SB818. A letter is always sent home to parents any time curriculum is going to be taught that involves any type of sex education. At that time parents will be able to have their child opt out if they choose. She will also send a letter home when she receives more information on this bill.

The board has asked Dr. Lee to request the Sports committee meet to review the policies and handbooks for our coop and sports agreements with LaHarpe.

Shasta Heidbreder requested during future business items that she would like the COVID testing recommendations and options investigated.

The consent agenda was presented to the board for review. A motion was made by Webster, seconded by Heidbreder to approve the items on the Consent Agenda as presented (Roll Call).
